An extensive range of computer hardware

We provide various computer hardware options to facilitate your organisational activities, registration, presentations and more.

We provide

- > An extensive portfolio of computer hardware
- > Premium quality equipment
- > AV and IT under one roof
- > Experienced and skilled IT specialists
- > Support during your event and its preparation

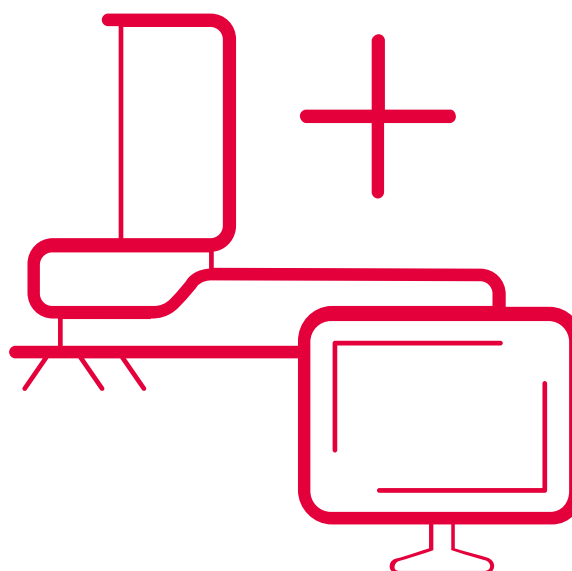

We work with preferred local suppliers, ensuring you fast response times, limited transport costs and no extra costs for employee travel and accommodation.

Benefits

- > Practical: one point of contact plus a support team
- > Equipment is supplied, connected and tested immediately
- > Maximum continuity
- > Flexible and transparent
- > Sustainable

Making life easy
